Wednesday 6 December

The Adventures of

Baron Munchausen

Food & Drinks (Licensed) at 6.00

Film starts at 7.30

The boundless imagination of Terry Gilliam yields a dazzling, fantasy of epic proportions. Inspired by the extravagant exploits of the fabled Baron Munchausen. This spectacle – born of a famously turbulent production – follows the whimsical eighteenth-century nobleman as he embarks on an outlandish quest that takes him from faraway lands to the moon to the belly of a sea monster and beyond, meanwhile waging battle against a vengeful sultan and the tyranny of logic. Packed frame to frame with special effects, mischievous wit, and colourful performances it is a lavish celebration of the triumph of make-believe over reality. Baron Munchausen is one of the most delightful, non-sense and visually stunning fantasies of cinema history. Terry Gilliam directs with his peculiar surrealistic and ironic style and uses magnificent special effects for a 1988 film. It is amazing to realise that thirty-five years have passed since this film was released.

COORABELL CRT (Community Resilience Team)

Those interested in forming and being involved a community led resilience team are invited to a meeting
Sunday 26 November at 1.30pm.
Afternoon tea provided.

Come together with your community to prepare for any emergencies that might effect us.

CRTs are led by residents for residents – a communication network within the community that maps resources, links to emergency services, and helps us prepare for, and cope with, disaster events.

Check out the CRT page at
www.coorabellhall.net
